Mysore, Dated 19th April 1949

From SRI T V KATARA AIAH,
B. Sitaramiah Esq B.A. B.L.
CHAIRMAN CITY IMPROVEMENT TRUST BOARD
MYSORE

To Janab Sardar Hussain, B A ,
SECRETARY TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE
Genl REVENUE DEPARTMENT BANGALORE

Sir

Adverting to Government Order No L 3287-8/41 12-46-8 dated 5th September 1946 sanctioning the supply of uniforms to ten men, as noted in the margin, I have the honour to state that ten Laskars had been sanctioned for the Straight Road Scheme Out of this, one Laskar was considered as Peon to the Sub Engineer sanctioned to the said scheme and his pay was also being drawn in the regular establishment bill Hence, as against the sanctioned strength of seven peons on the regular establishment eight peons were counted and sanction of Government was obtained to supply free uniforms to these 8 peons

Daffedar	1
Head Peon	1
Peons	8
Total	10

This irregularity of drawing the pay of Laskars attached to Straight Road Scheme, in the pay bill for regular establishment was since pointed out by the Comptroller during the time of audit in June 1946, and since then the pay of the peon of the Straight Road Scheme was omitted to be drawn in the regular establishment bill The Auditor, has now objected for having obtained the sanction to supply uniforms for 8 peons instead of 7 borne in the permanent establishment

I therefore request you to kindly revise the Government Order referred to above to supply free uniforms to only 7 peons instead of 8 already sanctioned The actual supply of uniforms are only being made to one Daffedar, one Head Peon and 7 Peons

The extract of the Audit Note for June 1946 and the copy of the P A D Auditor's objection are herein enclosed for favour of information and to kindly obtain the necessary sanction of Government

Yours faithfully,
T. Venkata Ramaiya
Chairman

65 In the case of the temporary establishment sanctioned for the work of straightening the Elgin Fountain Road, the scale includes ten peons and lascars on Rs 15/- per mensem each The pay of one is being claimed as peon in the regular establishment pay bill and that of the rest is drawn on nominal rolls designating them as "lascars" It was pointed out in the previous report that this arrangement was confusing, as it did not admit of proper watch being kept to see that the sanctioned scale was not exceeded and it was suggested that the pay of all the ten men be drawn on one bill only preferably on a nominal roll No action appears to have been taken on this suggestion so far
